## SX-1254 Reeded Glass Seamless

### Product Details

SX-1254 Reeded Glass Seamless adhesive film simulates real reeded glass. The Bars are 1/2" wide and the pattern direction runs down the length of the roll. The clear glasslike distortion texture provides a semi-privacy view.

### Flammability Rating

This product meets **Class B, s1, d0**, as specified in **BS EN 13501-1:2018**.

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

### Specification

|                            |                    |
|----------------------------|--------------------|
| Product Code               | SX-1254            |
| Film Type                  | Polyester          |
| Adhesive Type              | Pressure-sensitive |
| Usage                      | Interior           |
| Available Roll Width(s)    | 60"                |
| Thickness                  | 50 micron          |
| Visible Light Transmission | 61%                |
| UV Transmission            | <1%                |
| UV Rejection               | 43%                |
| Total Solar Reflectance    | 8%                 |
| Total Solar Absorbance     | 15%                |

### Installation & Warranty

#### Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same methods used for installing window films.

#### Warranty

This product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.

To ensure that **Genuine Solyx®** products have been installed, proof of a valid invoice number is required to validate your warranty. Scan the QR code below or visit [www.glassfilms.eu/validate](http://www.glassfilms.eu/validate) to validate.

### Product Construction

#### Face Film

50 micron Polyester

#### Adhesive

Clear, Pressure-sensitive

#### Release Liner

Silicone Coated
